

# ALCOHOL, DRUGS AND FIREARMS POLICY

## Reason this policy is important:

Young children's natural curiosity may result in experimentation with harmful substances or use dangerous materials or objects.

## Procedure and Practices, including responsible person(s):

- The use of tobacco in any form, alcohol, or illegal drugs is prohibited on the premises.
- Possession of illegal substances or unauthorized and potentially toxic substances is prohibited.
- All staff will maintain sobriety while providing child care. Staff that is inebriated, intoxicated, or otherwise under the influence of mind-altering or polluting substances will be required to leave the premises immediately and will be subject to discipline.
- No guns or other lethal weapons will be allowed in the child care setting. Parents required to carry firearms as a function of their job will lock firearms in their vehicle before entering the child care setting.
- In a home facility, all guns will be unloaded. Ammunition and guns will be stored separate from one another, each under lock and key, in an area inaccessible to children. Parents will be informed if guns or ammunition are kept onsite.

## When the policy applies:

The policy is effective at all times, both on the program premises and vehicles used by the program. It is also enforced when away from the program if on child care business (i.e. field trips and training).
